ONTARIO DEPARTMENT OF EDUCATION

INDEX OF  
SCHOOL BOARDS  
OF THE  
PROVINCE OF ONTARIO  
ON AND AFTER  
JANUARY 1, 1969

October, 1968

The Reorganization  
of  
School Jurisdictions  
in the Province of Ontario

This index of boards has been prepared for the convenience of various branches of the Department of Education and other interested persons and organizations for the purpose of indicating the relationship of school boards being dissolved as of December 31, 1968, to the boards which will have jurisdiction on and after January 1, 1969.

For accurate description of the areas involved, reference should be made to the relevant parts of The Secondary Schools and Boards of Education Act, The Separate Schools Act, and the Regulations made thereunder.

The first of these is the  
fact that the present  
state of the world is  
not what it was in  
the past. The second  
is that the present  
state of the world is  
not what it will be  
in the future. The third  
is that the present  
state of the world is  
not what it should be.  
The fourth is that the  
present state of the  
world is not what it  
ought to be. The fifth  
is that the present  
state of the world is  
not what it can be.
